American Indian or Alaska Native Asian Black or African American Hispanic or Latino

Native Hawaiian or Other Pacific Islander White Prefer not to answer

Are you bringing a guest? No Yes, guest full name: _____

RESEARCH INTERESTS*

- Early Development
- Cardiovascular Development & Function
- Brain and Behavior
- Organogenesis
- Digestion System
- Stem Cells and Regeneration
- Disease Models
- Genomics and Proteomics
- Frontiers in Medaka Research

- Imaging and Technology Development
- Reproduction and Endocrinology
- Toxicology
- Cilia and Centrosomes
- Chemical Biology
- Cell Biology & Cell Migration
- Hematopoiesis
- Cancer
- Physiology and Metabolism
- Immunology
- None/Other: _____

Select all potential workshops you would be interested in attending*:

- | | |
|---|---|
| <input type="checkbox"/> Career Development | <input type="checkbox"/> Writing High Impact Papers |
| <input type="checkbox"/> Genomics: The ZenCode Project | <input type="checkbox"/> Physiology and Metabolism |
| <input type="checkbox"/> Genome Editing | <input type="checkbox"/> Human Disease Models & the Role of Zebrafish in Human Disease Variants |
| <input type="checkbox"/> Imaging Technologies | <input type="checkbox"/> Anatomical Resources |
| <input type="checkbox"/> Medaka for Research | <input type="checkbox"/> None/Other: _____ |
| <input type="checkbox"/> Techniques to Study Adult Zebrafish | |
| <input type="checkbox"/> Husbandry, Other Fish Models to Use with Zebrafish | |

Select any workshops you are willing to chair/help organize*:

- | | |
|---|---|
| <input type="checkbox"/> Career Development | <input type="checkbox"/> Writing High Impact Papers |
| <input type="checkbox"/> Genomics: The ZenCode Project | <input type="checkbox"/> Physiology and Metabolism |
| <input type="checkbox"/> Genome Editing | <input type="checkbox"/> Human Disease Models & the Role of Zebrafish in Human Disease Variants |
| <input type="checkbox"/> Imaging Technologies | <input type="checkbox"/> Anatomical Resources |
| <input type="checkbox"/> Medaka for Research | <input type="checkbox"/> None/Other: _____ |
| <input type="checkbox"/> Techniques to Study Adult Zebrafish | |
| <input type="checkbox"/> Husbandry, Other Fish Models to Use with Zebrafish | |

I have read the registration privacy statement* (*see page 3*): Yes

Do you accept to be contacted by conference supporters and exhibitors?* Yes No

Do you agree to IZFS sharing your name, organization, its location, telephone and fax numbers, and your e-mail address to other Strategic Conference of Fish Investigators attendees, supporters and exhibitors via the conference mobile app? Yes No

PAYMENT INFORMATION

*Total: \$ _____

Credit Card: AMEX Discover Master Card VISA

Check

(made payable to International Zebrafish Society and sent to IZFS at 555 E. Wells Street, Suite 1100, Milwaukee, WI 53202)

Name on Card*: _____ Expiration Date*: _____

Card Number*: _____

Billing Address*: _____

City*: _____ State*: _____ Zip Code*: _____

Signature*: _____ Date*: _____

You may send the completed form via fax to (414) 276-3349. If paying by credit card, please email the form without the card information to adouan@izfs.org and call (414) 918-9835 to add your card information.

Registration Privacy Statement

The Strategic Conference of Fish Investigators is bound by, and committed to supporting the National Privacy Principles (NPPs) set out in the Privacy Amendment (Private Sector) Act 2000 and the General Data Protection Regulation (GDPR) EU Regulation 2016\679.

The International Zebrafish Society (IZFS) will collect and store the information you provide in this registration form for the purpose of enabling us to register you for attendance at the Strategic Conference of Fish Investigators, to assist with administrative and planning purposes for future planning and development of Strategic Conferences of Fish Investigators and other events, to facilitate your requirements in relation to the Strategic Conference of Fish Investigators, and to allow the compilation and analysis of statistics relevant to IZFS.

The information you provide during the registration form and information provided at any other time during the Strategic Conference of Fish Investigators, including without limitation any a feedback obtained during the conference, will be used by IZFS to offer, provide, and continue to improve its conference, events, and other services. With your permission, IZFS may disclose some information that is collected in the registration form such as your name, organization, its location, telephone and fax numbers, and your e-mail address to other Strategic Conference of Fish Investigators attendees, supporters, and exhibitors for marketing purposes. IZFS will also use your email address for Society marketing purposes.

IZFS will not otherwise, without your consent, use or disclose your personal information for any purpose unless it would reasonably be expected that such a purpose is related to the experience and improvement of the Strategic Conference of Fish Investigators or where such purpose is permitted or required by law.
